SCVAL Items-Ken Perrotti, ADC president

- A. Presentations by three official associations for new three-year contracts. The Athletic Directors recommended to advise the SCVAL BOMs to continue for (3) years with MacPolo (13-0) for our Water Polo group. The ADs also recommends to advise SCVAL BOMs that BASO continue its service for (3) years to our sports including soccer (12-1).
- B. Review and comparisons of incident and ejections during the fall and winter sports seasons. The table broke down leagues and sports throughout the CCS. We as a league by comparison with others are showing sportsmanship patterns to be lived with. BUT, coaches, players and officials just seem to be angry. Is it the pandemic?? All believe we can do better and coaches must model and control the actions and WORDS of their team members. More restrictive practices are allowed at a school to support change.
- C. The CCS/SCVAL scholar athlete was announced. Fiona Herron from Los Gatos is our girl scholarship winner. SCVAL had zero male applicants. This was peculiar, for in past years we would have 10. It was announced and was an agenda item in BOM and ADC several times before deadline.
- D. CCS Spring Honor Coach.... CCS Scholastic team due in April.
- E. ADC meeting in May changed to May 25th.
- F. Badminton start time needs to be reviewed with later ends of days with (6) districts restructuring academic class time. Maybe an either or like Soccer 3:45 or 5:00 determined by home school?
- G. Water Polo level rotation of play discussed and reviewed. Motion to change to non-varsity, varsity, varsity, non-varsity (11-2)
- H. Reviewed BTennis play at Mountain View (varsity all away, F/S at Rengsdorf exactly at 3:30); Wilcox at Buscher Junior High (5) courts; Los Gatos (5) courts.
- I. Macdonald High lower level participation next year in El Camino. Biggest point- max contests will need to be adjusted for EC frosh-soph or JV teams. Deadline dates will need to be determined.
