- A. (28) different students/members of the public and community spoke to the length of the new SCVAL (3) season format and CCS playoff participation

Presidents Report- Greg Shelby

- A. Discussion regarding the plan for a SCVAL (3) sport season calendar for 2020-21.
There was a large amount of conversation, questions, suggestions after listening to students, public and the community to the elements of the new SCVAL (3) sport season plan. The BOMs did add language to the Season (3) sports start dates and competition dates to read, "earlier if orange sports of season (2) are cancelled but not earlier than CCS start. To be determined by SCVAL BOMs". They reaffirmed the SCVAL truncated (3) season plan with the new language on a motion and a second-(13-0)
- B. Discussion regarding participation in CCS playoffs for any sports team for which playoffs have not been cancelled by CCS.
With the pandemic continuing to control our colored tiers plus the CCS stance on playoffs for season (2) in limbo the BOMs decided to TABLE further discussion to the no playoffs for all SCVAL teams to a later date. Deeper time for all sports for play by all teams and all levels along with Title IX issues remain a focus for our league.
