Presidents Report – Kami Tomberlain

- A. Start times for all sports to review and adjust 2022-23. Football times in discussion.. (2) football schools without lights on school days 3:15, 3:00, 2:45 and Saturday no earlier than 11 am. We do not want to have these games this early. Need to meet with PAL-emergency meeting this summer?? Kami will work to make this happen with possible vote vis email.. FUHSD has early days on Fridays.
- B. Soccer is 3:30 side by side OR 5:00 (NV)-7:00 (V); Badminton 5:15 and 6:00 for schools with one gym; Track PST 3:30 after DST 4:00 all approved
- C. Second reading vote approved constitutional by-law with change "a minimum of (3) days of tryout"
- D. PAL boys' Lacrosse teams returning to PAL. Leaving (6) SCVAL schools, with (3) excellent and (3) "not ready". Can we disband boys' lacrosse and allow supplemental membership in other leagues? Boys' Lacrosse teams and schools have added all kinds of fees. Over \$4000 for officials per 10 game season v, \$3200 for football with (5) officials. Coaches extremely difficult to find who can run a program, work near or after school and control player attitudes. More ejections this year, swearing constantly, posturing, pushing and shoving constantly, fights benches clearing on the rise. Motion: to have SCVAL not sponsor boys' lacrosse 2022-23.
Second 13-0-2. Carries
- E. Macdonald High deadline for fall August 16th. Vivian aware of deadlines to formally submit the sports. Non-Varsity sports for first two years. Largely, some individuals can compete... exception for only freshmen will be allowed. Commissioner can make that decision. Football plays for a school in PAL lake who does not field a F/S. Girls Volleyball play during byes of EC. As indicted on posted schedules.

- F. Digital ticketing only by SCVAL, including point of sale option?? Some schools are still concerned about the added fee. It is expensive, every time they buy a ticket. Every ticket under \$10 has a fee of \$1. SCVAL is not choosing to do this at this time.
- G. Boys' JV v. F/S conversation. We are only league that has F/S but several leagues have (3) levels. We are struggling with the lower level programs and many schools. Can be approved by case by case from Commissioner now. Put it back to ADs to collect some data. Gender difference when we made a decision years ago. It was about size, maturity, safety, girls numbers. Change was about growing sports. Could we have a over/under with size for juniors.
