Commissioners Report-Brad Metheany

A. SCVAL Spring Coaches of the Year; Sportsmanship teams (School Champion 22-23) **sheet attached.**

B. Assistant coach ejection (3) day sit out

C. Girls' Flag Football... **What do we do? - no league is forming a league. Suggestion to be a Club this year to figure out if there is truly an interest. Don't have to do eligibility, do not have to follow CIF Guidelines. CCS is playing it in the Fall with start and end dates. Districts need the information & approve to create stipends, uniforms, title 9 issues, and spacing. Request interest in the Fall for the 24-25 school year. The Advisory of AD's is start this out as a club for a year and go in with the bargaining to your sites to get coaching stipends, budget increases, funds for officials. Only schools with real interest are the two schools who do not have Field Hockey in the fall.**

D. Goodbyes, thank yous and have a great summer. What are you going to do that is exciting?
