Commissioner's Report

A. Movement to and from divisions.

No movement this sport's year due to covid and inbalance of teams. Subtle mutually agreed upon division movement might occur.

B. Webpage update will begin as we complete this difficult ever-changing pandemic competition year.

1. Working on re-establishing it due to the truncated seasons. Middle of June to get the website updated back to old patterns.
2. Schedules will be posted

C. Preseason meetings next year will be important to settle this year, review by-laws both SCVAL and CCS sport committee plus best practices of league.

1. Let Brad know if you need him to be involved with the Pre-Season meetings.
2. Will be back to face to face.
3. AD's are Advisory and BOM makes final decisions
4. Fine in place if Coaches do not attend meetings Pre and Post
5. Playoff fees- schools are closed in JUNE won't be paid til Fall. Email Brad if your school is closed down.

D. Certifying tournaments and invitationals with CCS

1. Submit, they are certifying them now.
2. Resent out the vote to Principals about Christopher and Gilroy.
3. CCS so far:
 1. Boys Tennis- Got 8 teams in, played more games then anyone else.
 2. Boys Golf- prelims during graduation exercise week. Figured out the differentials and standings. CCS wants a tournament Monday May 24th @ Bayview in Milpitas will allow to play out duals so long as its not outside the 28th. CCS Trials and Finals-Laguna Seca
 3. Boys Soccer- there could be penalties if do not play out a game.
 4. Boys Volleyball- falls under graduation events. Our teams are strong here. High seed hosts!
 5. Boys & Girls Basketball- PCAL 8 boys 6 girls playing games. PAL Soccer/Basketball not going to playoffs as of now. Salinas same. Brackets may be very different and strange this year. Lots of mitigation.
 6. Boys & Girls Lacrosse-Sequoia district said they are not going to playoffs. *New playoffs only get 2 automatics in boys and girls. Has not set strength of teams yet
 7. Track & Field- Santa Clara May29
 8. Softball/Baseball- have a lot of games in. Not sure how its going to be seeded. No neutral sites games are played at high seed sites.

E. Thank you to all on the most difficult year imaginable. Covid-19 around us everywhere. Delays, cancellations, rebirth, complete reorganizing of sport seasons, compressing competition windows, schedule, reschedule, schedule, officials associations lack of officials, facility conflicts(alot), lawyers, late CCS involvement, zoom and zoom and zoom, TESTING, and (15) sports at the same time in season (T3), not to mention the week of April 19th overlap. But, somehow we saved every single sport so the athletes could put on their school colors and compete against someone other than a Xbox. Athletic

Directors were in front making this happen. Be proud of what you made happen... over 370 events home and away by your school by year's end!!! I appreciate, value and applaud you.

1. 370 events were put on this year during a pandemic.

F. Good-byes. James Gilmore, Cody Owens and big-time multiple leader Tim Lugo.

Next meeting- September 15 at Fremont High- Fair Oaks room 9 am
