2.2 If teams are tied for first, compare records for the teams against the next highest finishing team in the league, and move down the standings until the tie is broken.

2.4 If teams are tied for any other position, a comparison of the highest finishing team (and move down the standings) will be used until the tie is broken.

2.5 *If steps 2.1 to 2.3 have not broken ties, then C.C.S. points (minus any points for champions or champions played) for the last 22 games will be used. If there is still a tie continue CCS tie breaking procedures.*
